

SIMBOLI

LAGREIN TRENTINO DOC

Lagrein has been present in the valleys of this area for more than 70 years. Lagrein Simboli is produced on the hills of the Municipality of Lavis, on the hottest and best-exposed slopes. Ruby-red in colour with distinct purple nuances, this Lagrein offers hints of raspberries, blueberries and violets. The palate is warm, with soft, sweet tannins.

Vine	Lagrein
Vineyard location	Hills of Pressano and Sorni in the Municipality of Lavis
Exposure and altitude	West; 250-400 m a.s.l.
Soil composition	Loam originating from local materials with a siltstone composition
